

# Joel Cooper COVID-19 Policy

It's our goal to create a safe and enjoyable experience as we continue to abide with Ontario's COVID-19 guidelines.

## Think You Have COVID-19 Symptoms?

Please notify us of any potential symptoms before your viewing. Viewings can always be rescheduled.

## Communicate With Us Remotely

Discuss all booking matters over email or phone whenever possible.

## Two-Guest Limit Per House Viewing

We can only allow up to two guests per viewing. Please refrain from bringing additional guests.

## Sign a Safety Waiver Before House Viewings

You will have to sign a COVID-19 waiver before viewing the property. This waiver ensures mutual safety and tracks potential COVID-19 outbreaks.

## Bring and Wear a Mask

Masks are required for all house viewings and bookings. Please wear a mask both inside and outside of the house that you are viewing and maintain a safe social distance.

## Sanitize Your Hands

Sanitize your hands often while on-site of a house viewing. We provide sanitizer for all guests upon entry and throughout house visits.

## Do Not Touch Anything During House Visitations

Please keep touching to a minimum while visiting the house. Your agent will help you with specific requests during your viewing.

*Thank you in advance for your cooperation in helping us make your real estate experience a safe, productive, and successful one.*
